

TANTANTARA!

Tantantara! is the magazine of the Gilbert and Sullivan Society of Victoria. This publication provides a forum for the study of the works of Gilbert and Sullivan and other works of light opera and operetta. It incorporates *The Palace Peeper*, providing news of the Society and its members.

We invite submissions and articles for both *TanTanTara!* and *The Palace Peeper*. We prefer articles which relate to Gilbert and Sullivan or to the work we are about to perform. Please send articles by electronic means where possible, sending them to

[publications\(at\)gilbertandsullivan\(dot\)org\(dot\)au](mailto:publications(at)gilbertandsullivan(dot)org(dot)au)

. Please send them as an attachment, not in the body of the email. If sending photographs for use in the magazine, please ensure they are the highest possible quality.

We invite you to send articles of what you have been up to for inclusion in *The Palace Peeper* if you feel it would be of interest to the membership.

We also encourage you to send news that can appear on the relevant sections of this website.

You can also submit articles or photographs by post. If you would like your material returned, you must include a stamped addressed return envelope.
